

Postpartum Doula

We're looking forward to having doula support after coming home with baby. This gift will go towards 12 hours of postpartum doula support. Our doula will help with tasks around the house, meal prep, entertaining older siblings, and support with baby so parents can rest, shower, and more!

Date Night Babysitter

We're hoping to schedule 3 date nights over the course of the first few months so that we can have some time to reconnect and take a break!
